

NEWARK Central Planning Board Determinations For The Hearing of **September 25, 2017**

The below listed items were heard before the Newark Central Planning Board for site plan/subdivision approval or courtesy review. Those that received approval have the words "**APPROVED**" or "**APPROVED with CONDITIONS**" below their listing. Resulting blocks/lots that have received approval are inclusive of any applicable subdivisions that are made thereafter. Any such subdivision should be regarded as having received site plan approval. Blocks/lots that have been subdivided will have a decimal in their number, where the whole numbered digits would match one of the corresponding approved block/lot numbers included below:
